Dear Madam, dear Sir,

It is my pleasure to present you the Académie musicale de Villecroze, and its activities for 2014.

The Académie musicale de Villecroze was created by Anne Gruner Schlumberger to help and encourage young talented musicians. Since 1989, The Académie offers each year eight to ten master classes. Outstanding professors and students from all over the world gather to spend ten exciting musical days in the lovely village of Provence which is called Villecroze, in the south of France. The Académie musicale de Villecroze has this uniqueness that it was built on purpose and especially for master classes. Only ten to fifteen students are selected per class. Successful applicants are welcomed in Villecroze with lessons, board and accomodation covered. Students are solely expected to cover the cost of transportation to "Les Arcs Draguignan" train station or Nice International Airport. Moreover, the Académie may offer a financial support of a return ticket to students demonstrating financial need.

In 2014, the Académie musicale de Villecroze offers eight master classes. I would be very grateful of you could help us to spread this program to your students, or encourage them to visit our website on www.academie-villecroze.com. I am glad to send you enclosed one poster, and some application forms.

Please don't hesitate to contact us if you need any information or have any question.

Yours faithfully,

Emilie Labarchède
Executive director
